

## Statement of the Federation of European Women Pilots

In view of the current developments concerning the Corona crisis the board of FEWP had decided to cancel the annual meeting of 2020. The next meeting will take place 2021: May 28<sup>th</sup>, 29<sup>th</sup>, 30<sup>th</sup>.

Location will be Cyprus and the program will hopefully be the same as this year.  
Meetings thereafter will all move up one year.

Formally there will be a status quo in the formation of the board until the meeting next year.

A statement in all aspects of the postponement has been sent to all board members.  
All board members agreed to the statement, so formally the board meeting for 2020 has taken place.  
Country reports, president report and financial report will be compositions of two years: 2020-2021.  
Formally no AGM is needed when there are no votes needed.

All attendants need to take care of cancelling travel and hotel arrangements for 2020 themselves.  
The hotel is informed about the cancelling of the meet and will give the same facilities next year as for this years' meet.

If there are any questions, contact your FEWP representative or check our website.
